

NEW PRODUCTS

Hot for 2009!

New releases at Mido were plentiful, and we've picked out some of the styles in a range of categories, from rimless to sportswear. Enjoy our selection of what is fresh and inspiring in eyewear for the coming season...

From top:
Wiston from **Rye & Lye** by **Imagine Eyewear**, one of the styles in this new collection which focuses on the future retro theme; **CapriSS CPO8032** from **Okia**; one of the styles in this collection which demonstrates the capabilities of Okia's new HD technology; **Reykjavik Eyes MR2** from **Andrew Actman** is an aviator style available in matt brown, matt black, matt grey in size 57/17; the frame is made from a single sheet of beta titanium and therefore has no screws or hinges
