

22ND APRIL 2010

## Silmo Preview 6/12

Thursday, April 22nd, 2010

OKIA

The Qoins collection has been created for the modern man but it is inspired by the vintage taste of 50s and 60s design products: a collection thought for men with strong character. The special ornamental effects, obtained thanks to HD technology, give the models their peculiar retrò appeal .
